GIRLS GO BALD FOR CHARITY

One brave learner recently agreed to shave off hair all in the name of charity (Epilepsy Research). Fawn Holmes is currently at Claire Frances Hair Design in Nailsworth completing her FMA L2 Hairdressing qualification.

Fawn and her two friends, Danielle Norton and Hannah Porter, who attended school together and completed the diploma in hairdressing with ISA were all involved in the charity event.

Fawn, Danielle and Hannah have been on programme for only 8 months but were confident in their ability to shave hair to raise money. The event was held on the 8th May in the village of Nailsworth in front of a big crowd and raised a lot of money for Epilepsy Research.

Fawn explained it was a challenge as she hadn't yet completed her cutting unit, but she thoroughly enjoyed the event.

ISA'S YOUNG TALENT GO STATE-SIDE

Shirley Davis-Fox took trans-Atlantic steps last month to further develop ISA's Learner Exchange Programme, stage 4 of our Learner Exchange Strategy.

Shirley spent 10 days in Florida with Diana Brian, Programme Director of Cosmetology promoting and increasing professional recognition of the Sector.

This trip has taken ISA one step closer to offering a 'once in a lifetime opportunity' for learners who are completing their Level 3 to join the Exchange Programme. The lucky few will be jet-setted off on an incredible trip to America to show off their talents overseas and in exchange, US Learners will come to Britain.

Only a select few will be chosen to take up this fantastic opportunity starting mid-2011. For further details on the Programme or information on how to nominate yourself for this once in a lifetime opportunity, please contact Shirley Davis-Fox on: **0797 495 8727**
