

## Level 2

# Children's Care, Play, Learning and Development

This is an entry-level qualification for those taking their first steps in a career in the childcare sector. The course combines two qualifications - the core which provides the theoretical knowledge, followed by practice which is assessed in the workplace.

### Benefits for the learner

- Knowledgeable and qualified trainer coaches from a vast range of childcare industries
- All CCPLD trainer coaches have undergone an extensive professional development programme to ensure they are best equipped to deliver the new industry training standards
- Bespoke Moodle to support you throughout your qualification as well as face-to-face meetings, observations, Smart Assessor e-Portal, email submission, telephone support or smart rooms/Facetime

### Benefits for the employer

- Gives staff the knowledge and skills that are required within the sector
- Range of optional practical units to tailor the qualification to your business needs
- Quality training with an Estyn grading of 'good'
- Friendly and knowledgeable trainer coaches for you to approach at any time

## Essential Skills

Welsh Government is committed to raising the levels of Essential Skills across Wales. Communication, Digital Literacy and Application of Number qualifications are an integral element of the funded apprenticeship frameworks.

These are usually delivered through workshops at one of our centres and will be planned well in advance. If you have completed Essential Skills previously or are able to provide suitable evidence, such as GCSE certificates or similar, you may be exempt from completing this element of the qualification.

Essential Skills	
Learners will need to complete:	
Application of Number	Level 1
Communication	Level 1

## Qualification Overview
